

**CONVENED BY THE UNITED NATIONS SECRETARY-GENERAL
10 – 13 November 2015, João Pessoa, Brazil**

***Press Briefing, 4.00 pm, Media Conference room,
Poeta Ronaldo Cunha Lima Conference Center, João Pessoa***

The tenth annual meeting of the Internet Governance Forum (IGF), convened on behalf of the UN Secretary-General and hosted by the Government of Brazil, takes place in João Pessoa, Brazil between 10 to 13 November. The theme of the 2015 Forum “Evolution of Internet Governance: Empowering Sustainable Development” comes at an opportune time when the 193 UN member States have recently adopted [the 2030 Agenda for Sustainable Development](#).
