

The Corner Sessions are a new session format proposed by the IGF. They will take place on Thursday, December 8 (Day 3), from 9AM until 1PM in Workshop Room 5.

## TOPICS PROPOSALS

Everyone will have the chance to propose a topic by writing it on a "postit" and sticking it on the board.

## CORNER TOPICS SELECTION

The post-its will be counted and the most popular will be clustered into the 4 corners of the board in preparation for the next steps.

## GROUP DISCUSSION

Discussion groups will be formed around the 4 most proposed topics.

## RAPPORTEURS

Each discussion group will select a Rapporteur before the discussion starts.

## REPORT

Each of the Rapporteurs will read their discussion group's conclusions to all the groups.
