

IGF MAG Nomination Form

(Submission Template)

Please note that this form is intended to be filled in by the nominator. If you are nominating yourself, please add your personal information in both the nominator and nominee fields.

Both the nominator and the nominee will be required to confirm and, respectively, accept the nomination. Once the form is submitted, the nominator receives an email asking him/her to confirm the nomination. After the nominator confirms the nomination, an email is sent to the nominee asking him/her to accept the nomination. Only after all these steps (verification by the nominator and acceptance by the nominee) are completed, the nomination is considered successfully submitted.

Note: If you use an abbreviation or acronym throughout this form, please spell out the term in the first instance and put the abbreviation/acronym in brackets.
