IGF regional and national initiatives: data collection summary and preliminary analysis

Sylvia Cadena / sylvia@apnic.net
Community Grants & Awards Specialist
How to go beyond reporting?

2 online surveys designed to:

- Exchange information about the IGF initiatives in areas of concern shared by other IGF initiative organizers.
- Identify common views across the different regions/countries, and at the same time identify the unique elements that arise from each process.
- Facilitate analysis and understanding of challenges faced, different/local interpretations of same topics, different approaches.
- Foster participation and engagement.
Process

27/08/2013 Drafted questions shared @ igfregionals

13/09/2013 2 surveys designed using Google forms in English

Survey questions translated to French, Arabic, Russian and Spanish with great help from volunteers

Data verified and surveys adjusted

20/10/2013 Data collected
