IGF 2021 BPF evaluation

As per evaluation criteria for completed BPFs in the [BPF Definitions, Procedures, and Modalities](#) (26 October 2020)

Best Practice Forum Cybersecurity on the use of norms to foster trust and security	Best Practice Forum Gender and Digital Rights Exploring the concept of gendered disinformation
Minimum of 3 open virtual meetings ● The BPF organised **4 open virtual calls**, alternating between 6:00 and 15:00 UTC to be convenient to different time zones. These calls were used to update and discuss progress of the 3 work streams. ● The BPF sent out a call for volunteers (May) to express interest in one or more of the 3 BPF workstreams (more than 50 people signed up). The 3 work streams set up ad hoc working calls on a need basis.	*Minimum of 3 open virtual meetings* ● The BPF organised **8 open virtual calls** between May and November. ● The first series of calls (May-July) were 'Learning sessions' with invited experts and stakeholders to explore the concept of gendered disinformation. (a [summary document](#) of the learning sessions was published at the end of July).
An [active BPF mailing list](#) (a minimum number of subscribers, a minimum amount of traffic); ● 458 subscribers ● Traffic moderate	*An [active BPF mailing list](#) (a minimum number of subscribers, a minimum amount of traffic);* ● 322 subscribers ● Traffic moderate
The BPF process is documented on the website ● https://www.intgovforum.org/en/content/bpf-cybersecurity	*The BPF process is documented on the website* ● https://www.intgovforum.org/en/content/bpf-gender-and-digital-rights
A draft BPF output was published ahead of the IGF meeting, with the possibility for the community to provide feedback. ● Draft reports for the workstreams were published on 29 November: WS 1 https://www.intgovforum.org/en/filedepot_download/235/19829 ; WS 2 https://www.intgovforum.org/en/filedepot_download/235/20025	*A draft BPF output was published ahead of the IGF meeting, with the possibility for the community to provide feedback.* ● A draft report was published on 2 December https://www.intgovforum.org/en/filedepot_download/62/20091

A BPF session was organised at the annual IGF meeting ● Friday 10 December, 11:15 - 12:45 CET https://www.intgovforum.org/en/content/igf-2021-main-session-bpf-cybersecurity	*A BPF session was organised at the annual IGF meeting* ● Thursday 9 December, 9:30 - 11:00 CET https://www.intgovforum.org/en/content/igf-2021-main-session-bpf-gender-and-digital-rights
The BPF has published a final BPF output report ● IGF 2021 BPF Cybersecurity final output (December 2021) https://www.intgovforum.org/en/filedepot_download/235/20623 ● The BPF shared its key findings in a written submission with the OEWG on security of and in the use of information and communications technologies https://meetings.unoda.org/section/oewg-ict-2021_ngo-information_16382_ngo-information_16633/	*The BPF has published a final BPF output report* ● IGF 2021 BPF Gender and Digital Rights final output (December 2021) https://www.intgovforum.org/en/filedepot_download/62/20661
