PNAI work plan for 2023

PNAI goals – what do we want to achieve?

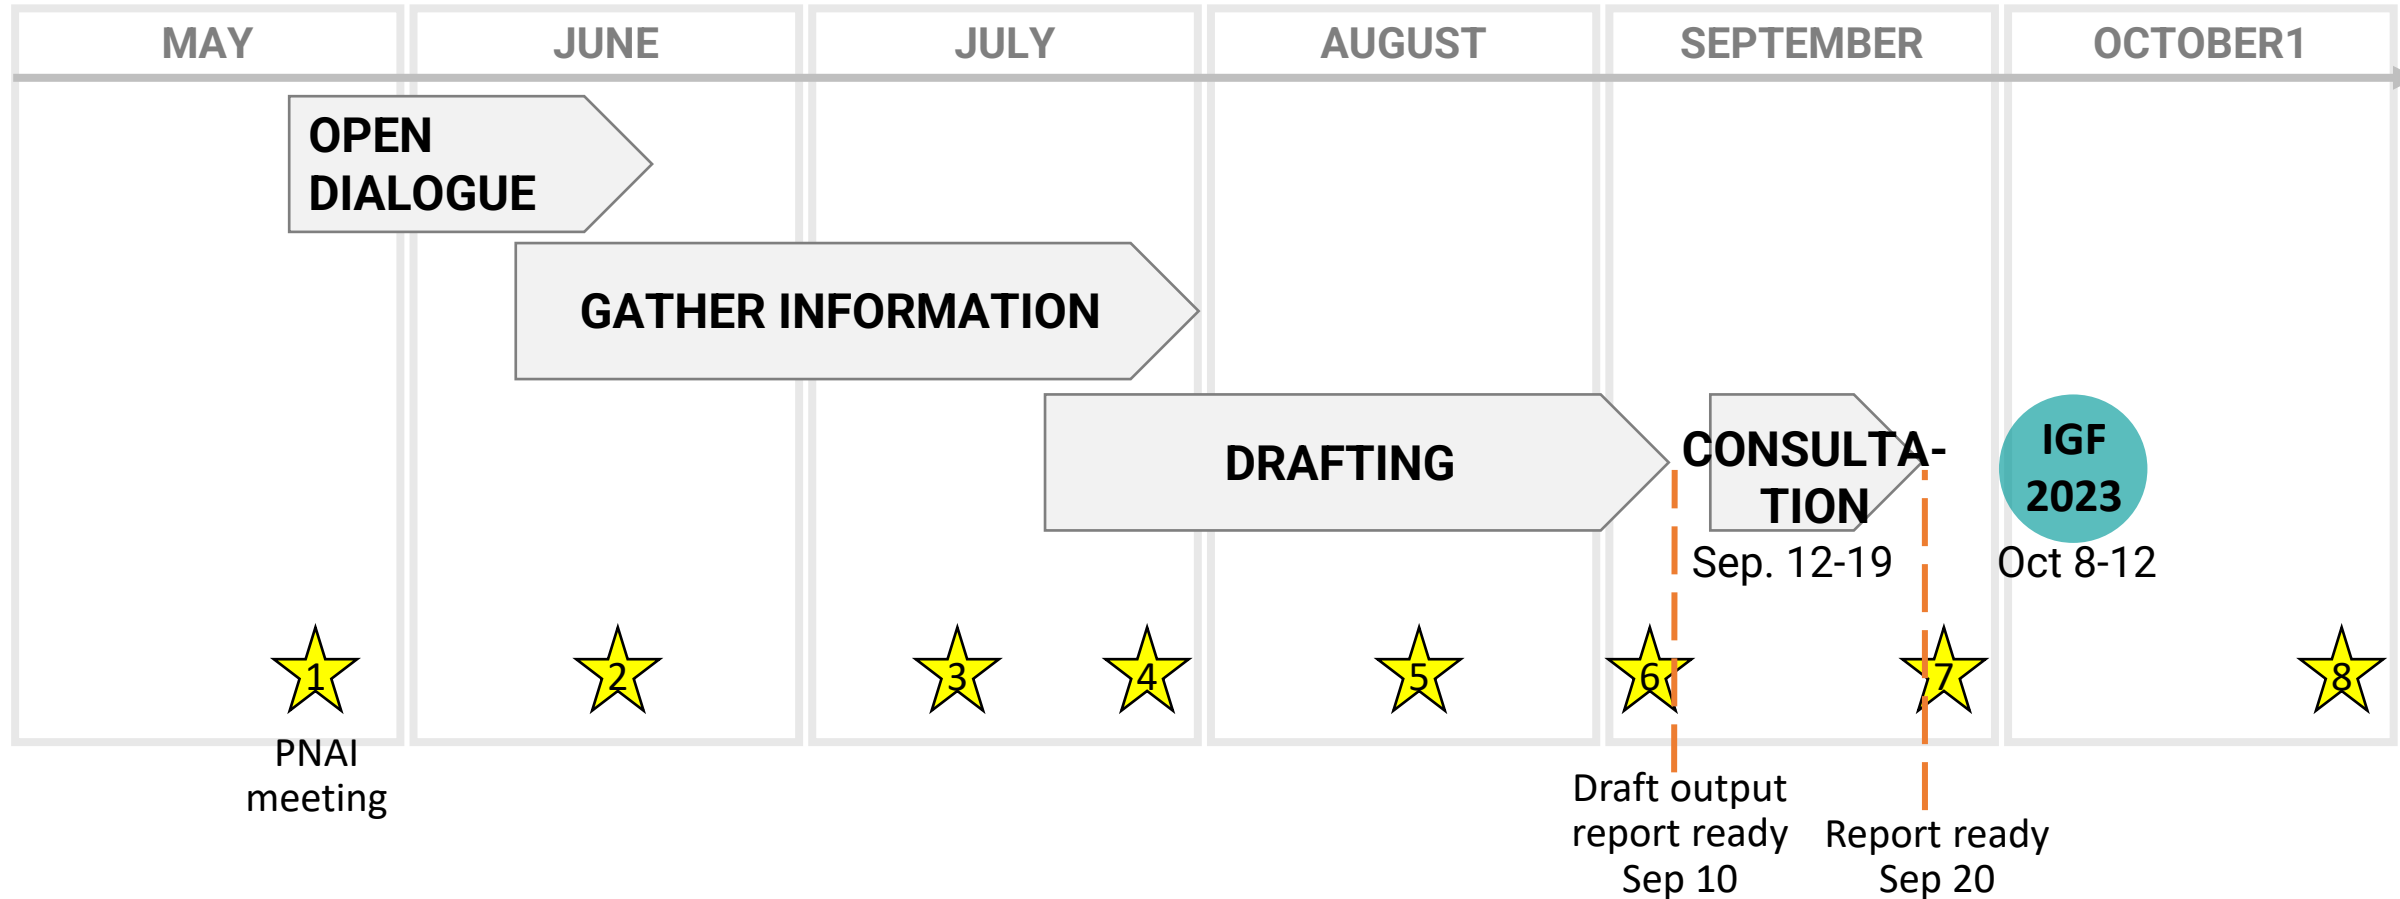

- ▶ Focus on AI and related aspects of data governance.
- ▶ Learn from and elevate AI governance frameworks, principles and policies being developed in and for the Majority World and non-latin languages.
- ▶ Bring the IGF's multistakeholder community together, gather and synthesize knowledge on this topic in the community.
- ▶ Create focused conversations and clear messages through a systematic approach and framework.
- ▶ Build on previous discussions, create synergies, and create input to the global AI policy dialogue.
