

'Understanding the commercial and economic incentives behind a successful IPv6 deployment'

IGF 2016 – BPF IPv6

Update 13 September

- Scope & Goals
2015 BPF IPv6: *Why adopt IPv6? - How support IPv6 deployment?*
2016 BPF IPv6: *Economic incentives and commercial drivers IPv6 deployment?*

The BPF wants to reach out to companies and organisations that commercially deployed IPv6 and share their experiences with the community.

- Activities:
 - Mailing list bp_ipv6@intgovforum.org
 - Virtual meetings: 5 meetings so far, 4 more scheduled
 - online collaborative drafting process (google docs)
 - survey for targeted collection of case studies
- Rough timelines:
 - June, July, August:
define Scope & Goals, fact finding IPv6 deployment (statistics), prepare outreach to collect case studies.
 - August, September: collection of case studies
 - October: case study analysis, document writing, publication draft outcome
 - November: workshop preparation, discuss and prepare outreach after IGF.
- Request for support from MAG members:
 - Outreach to collect case studies from companies that successfully deployed IPv6 on their networks and for their services.
 - Suggest and reach out to subject matter experts.
 - Outreach to collect input from countries with low IPv6 deployment.
 - Cooperation with MAG Communications WG on outreach and promotion of BPF outcome
- Notes:
 - How can BPFs get in touch with WS organisers if needed/appropriate?
For example No. 181 Transition to IPv6, relevance to the transition to the IoT
