**Summary of raised key points**

**BPF Gender updates -**

1. **Output Paper draft**

   The BPF Gender output paper can be found here,

   [https://docs.google.com/document/d/1AtyPQaPmn8xi2-YGVT2_Nav36ltUF_8UXgbU3Nmq_LI/edit?usp=sharing](https://docs.google.com/document/d/1AtyPQaPmn8xi2-YGVT2_Nav36ltUF_8UXgbU3Nmq_LI/edit?usp=sharing)

   The document is open for comments till 31st October. A ‘frozen’ version of this draft will be published online on 1st November to be carried into IGF. Following IGF, the document will once again undergo iterations to incorporate findings from the session.

   One of the major findings from the 2018 report is that most initiatives in the space being explored are gender-blind in their approach. It was hence discussed on the call that a section on recommendations / ‘checklist’ for including gender perspectives in supplementary models of connectivity could be included in the output paper. This will be implemented shortly.

2. **BPF Gender IGF session planning**

   The BPF Gender IGF session structure and details can be found here,

   The document is open for comments; kindly include speaker suggestions in the same. Invites will be sent out to speakers by 1st November.
