The group agree to have the following Co-chairs for the group, Julián Casasbuenas G from Colnodo/APC based in Colombia (MAG member), Flávio Wagner, from Brasil (Former MAG member), Deborah Brown from the US from the Association for Progressive Communications

Brief review of the WG work.

Flávio presented the work done so far by the WG and next steps based in the 2018 Charter that was send to the list prior to the meeting. After his presentation the group discussed next steps and a time line that is described below:

Next Steps.

1. During the meeting was proposed to invite former host countries to provide their inputs to the WG as well as future host countries, so it was proposed to invite France and Germany to participate in the group.

2. The following proposal for outline the workplace was accepted:

Step 1 - 1 Week - Based on the previous table, cluster categories and open for volunteers in the WG-IMP (2 volunteers per category, each volunteer to add their names in volunteers tab of the table)

Step 2 - 4.5 Weeks - Assess which are the recommendations completed, in progress, to be implemented

Step 3 - Recommendations (?) and/or priority assessment (?)

It was stated that, if possible, is important to consider other recommendations not included in the document

(https://docs.google.com/spreadsheets/d/1TdxEe0Qit3qAMCaGeyOLOI4PvUluY3Nv5hmBsq0_OfE/edit#gid=0) from other sources with the approval of the MAG.

The goal of the group is to make a presentation of the advances for the next F2F MAG meeting in July.

Next meeting of the WG in 3 weeks to see how are we moving forward.

There is a record of the meeting available.
