

IGF 2020

2nd Open Consultations & MAG Meeting

Updated v.6, 26 May 2020

Milestones MAG has to have achieved by the time of the meeting:

- ✓ In-depth review of workshops with a **high degree of variance** in scoring. Decide on how to treat these workshops.
- ✓ Reach consensus on which workshops proposals can be **eliminated** on the basis of overall poor quality.
- ✓ **Final ranking** of workshops per thematic track.
- ✓ Assess extent to which proposals **cover the theme** in each thematic track? Flag **lower scoring workshops** that **could add to programme cohesion** for further discussion.
- ✓ Based on insights gained from the scoring, each thematic track group should **update the thematic narrative** by **10 June**.
- ✓ Some initial discussion on the **main sessions** (*e.g. whether we want one for each track*). What other topics could be focus of main sessions?
