

THE  
INTERNET  
GOVERNANCE  
FORUM

NEEDS  
YOU!

The Internet Governance Forum Secretariat is funded through donations from various stakeholder groups. While host countries bear the majority of the costs associated with holding the annual IGF meeting, the IGF Secretariat's activities are funded through extra-budgetary contributions paid into a multi-donor Trust Fund administered by the United Nations Department of Economic and Social Affairs (UNDESA).

Voluntary contributions from Governments and non-governmental organisations from the technical community, the private sector and the civil society are most welcome, including in-kind donations.
